Athlete's Code of Conduct

Being a Chico athlete is a student's choice and thereby a privilege, one that along with being a great honor, carries with it responsibilities. The following are expected of a Chico athlete:

We believe all Chico athletes should be diligent in preparation, relentless in effort, disciplined by nature, respectful in actions, self-controlled with words, humble in spirit, and aggressive in pursuit of excellence, without regard to score, opponent, time or referee. Great things happen as athletes display these characteristics. Teams are successful, players are motivated, fans are supportive and enthusiastic, parents are proud, perspective athletes want to participate and very often character is enhanced in all involved.

As a Chico athlete, our young men and ladies have an image to reflect. This image should incorporate: leadership, character, responsibility, competitive spirit and integrity. Students are not required to take part in extracurricular activities, therefore, it is imperative that all students taking part in athletics understand the following responsibility and rules and that Coaches of the athletic program and the Athletic Director have the right to remove that privilege.

Training Rules

Athletic policies apply to student athletes year-round. Breaking the training rules involve the following: receiving a ticket by the police, being visibly seen by a school employee or social media.
